Glazed Porcelain

Sandal Wood

The time-honored look
of wood.

The time-tested
performance of porcelain.

Mediterranea has brought a beautiful, ecologically-sound "wood" flooring option to the United States marketplace. This "wood" floor offers the ultimate in high performance. Easy to clean and maintain, impervious to the damaging effects of water and will not dent, scratch or fade. Wood flooring so true to life even Mother Nature would never realize its actually durable, long-lasting porcelain.

Experience Sandal Wood today.
Wood never looked so good.
